

BEAR-Y FUN ACTIVITIES

SING TOGETHER

- Sing “Going on a Bear Hunt” by Michael Rosen, “The Bear Went Over the Mountain,” and “The Wheels on the Bus” by Verna Hills!
- As you sing, ask children about interesting-sounding words or words that sound the same.
- Act out the songs, too! “The Wheels on the Bus” is great to act out!

MAKE A BEAR MASK

- To create these fun bear faces (and turn them into masks!), you will need: paper plates, crayons or markers, brown and black construction paper, Popsicle sticks, tape, scissors, and glue.

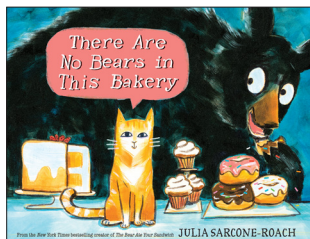

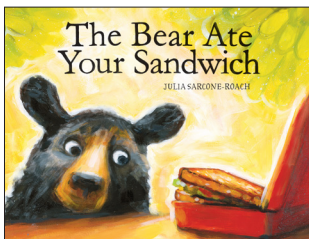

**Adult prep: Cut the paper plates in half and then punch two holes for the eyes. Cut brown semicircles for the ears and a black circle for the nose.*

- Color the entire paper plate, using either crayons or markers.
- Glue the ears on the top of the plate.
- Glue the nose to the center of the plate.
- Tape the Popsicle stick to the inside of the mask to use as a handle.
- Decorate the mask with markers.

CREATE YOUR OWN BEAR EARS

- Create your bear-y own bear ears! Materials needed: brown construction paper, scissors, crayons or markers, and a stapler or tape.
 - Cut two semicircles out of the brown construction paper. These will be the bear ears.
 - Decorate the ears with crayons or markers.
 - Cut a strip of brown construction paper to fit around the child’s head.
 - Staple or tape the strip of brown construction paper together to create a headband.
 - Staple or tape the bear ears to the front of the headband.
 - Wear! You look just like a bear!

HELP THE BEAR FIND ~~YOUR~~ HIS SANDWICH!

HIDE-AND-SEEK

With the help of an adult, print this page and cut out the sandwich, using the dotted line as a guide. Then take turns hiding the sandwich around your house and sniffing it out like hungry bears! Make your best bear noises as you search.
