JUANA'S EXTRA SPECIAL CHOCOLATE CALIENTE

As everyone knows, a magician never reveals her secrets. We couldn't ask Juana to reveal the magic of her amazing hot chocolate, but she was kind enough to share this delicious recipe for extra special chocolate caliente.

1. Gather your ingredients.

- * 14 oz. sweetened condensed milk
- * 1/2 cup unsweetened cocoa
- * 2 cinnamon sticks
- * 1 tsp vanilla extract
- * A pinch of salt
- * 4 cups whole milk (or preferred milk product)
- * A dollop of butter (optional)
- * A pinch of cayenne pepper (optional)

2. Choose your favorite saucepan and add the condensed milk and cocoa powder. Watch the swirls of chocolate blend into the condensed milk as you whisk the mixture over medium heat.

3. Add cinnamon sticks, vanilla extract, and a pinch of salt. Keep whisking, and make sure the mixture doesn't boil.

4. Slowly add the milk until you get the consistency of your favorite hot chocolate.

5. If you're feeling decadent, add a dollop of butter. If you're feeling adventurous, add a pinch of cayenne pepper. If you're feeling generous, share your chocolate caliente with friends and family. (It's okay if you keep it all to yourself, too!)
