Love,

These valentines are easy peasy!

1. Cut them out on the black line (ask a grown-up to help!) *My cutting days are over thanks to Meanie Jim.*
2. FIRST fold on the blue line. *If you do this backwards you will have*
3. NEXT fold on the pink line. *a flippy floppy upsidedown card, I think*
4. Decorate & share! *bestest friends, family, lunch ladies...*
