You're Off to Great Places!

Make sure to ask for an adult's help when using scissors!

In this world, you'll do many great things and see many wonderful places. But it's always special to remember where you came from. Using the instructions below, create a time capsule to open when you're older!

WHAT YOU NEED:

- Small box
- Scissors
- Glue
- Decorations for your box (crayons, stickers, etc.)

First, find a small box or something that can hold the items you'd like to store. Below you'll find a list of suggested items to include in your time capsule, as well as a label you can attach to your box.

Once you've added your items, seal the box and decorate it however you'd like—draw on it, cover it with stickers, glue on pictures!

CONTENT SUGGESTIONS:

- A letter to your future self
- A recent picture or self-portrait
- A newspaper from the day you make your time capsule
- A leaf from outside your home
- Any other special items that you can think of!
