# HOME ADVENTURES!

Passport to  
SUMMER FUN!

## Dear Magic Tree House Fan,

I'm so glad you're joining Jack and Annie in this summer's Home Adventures! You don't have to look far to find adventure—you can find it right in your own home! Explore ancient lands and legends and heroes and create your own graphic novels, all from your room or backyard.

To complete this passport, read a Magic Tree House book and its corresponding Fact Tracker, and complete the activities in the Craft and Activity Booklet to earn stamps. As you earn stamps, color them in on each page to track your progress!

The journey is yours to take! May you discover wondrous places and have many exciting adventures!

Happy exploring,
