Cookie Chronicles Fortune Teller Instructions

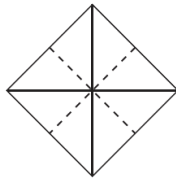

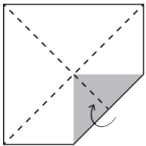

How to Fold

1. Cut out your Cookie Chronicles fortune teller. With the blank side facing up, fold each corner to the opposite corner, forming a triangle shape and making a crease.

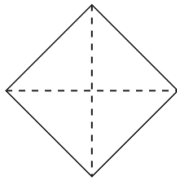

2. Fold all the corners to the center. Feel your fortune teller's fortuitous power begin to take shape!

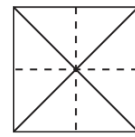

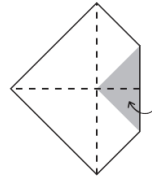

3. It should look like this:

4. Flip it over so you are looking at the other side.

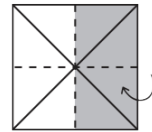

5. Repeat step 2 and fold the corners into the center.

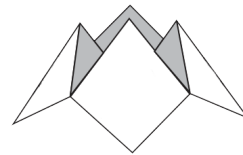

6. It should look like this:

7. Fold in half both ways, creating rectangles. You're nearly done!

8. Discover your inner fate-telling ability with a completed Cookie Chronicles fortune teller!

How to Play

1. Assemble the fortune teller. (Wasn't that fun?)
2. Find a partner. It doesn't have to be someone you like, but this will be more fun if it is.
3. Tell your partner you're going to play a game to see what Cookie Chronicles character they are.
4. Watch as their eyes fill with excitement.
5. Ask your partner to choose one of the top four squares (with the numbers). Open and close your fortune teller as you count to the number on the square they chose.
6. Ask your partner to look inside the fortune teller and choose a word. Open and close the fortune teller once for each letter as you spell out the word.
7. Ask your partner to look inside the fortune teller again and choose a word.
8. Unfold the flap and look at the section underneath their chosen word to find out what Cookie Chronicles character they are.
9. Eat cookies. Because cookies are delicious.
