BUSYTOWN EXPLORER JOURNAL

KEEP TRACK OF YOUR BUSYTOWN ADVENTURES!

Dear Reader,

For decades, Richard Scarry has enriched the lives of children with his humorous yet educational stories and illustrations. It was his mission to teach children how the world around them works. We encourage you to take your little one out into your community to discover together the different places and people that make their town go!

Afterward, we hope you both enjoy journaling about your adventures in this activity booklet. With the help of friends like Lowly Worm and Huckle Cat, you and your little explorer are sure to be learning and laughing along the way!

Happy exploring,
