# Potluck Drawing

Have you ever been to a party where everybody brings different, delicious snacks and it's even more appetizing when everyone's snacks are enjoyed together? Well, did you know that you can do the same thing with a drawing? Grab a piece of paper and a pencil or pen to get started.

## What you'll need

- A piece of paper or whiteboard
- Erasable writing utensil
- Tape

- Start the game by having one person draw one thing on the page.
- Have them pass the paper to the next person.
- Repeat until everyone has added to the page.
- At the end, brainstorm a name for your combined art.
- Feel free to grab a new piece of paper and make as many masterpieces as you'd like!
- Tape your art up and display it proudly in the goodies gallery for all to salivate over and enjoy.

P.S. The foodie theme is optional, but who doesn't love a good treat?

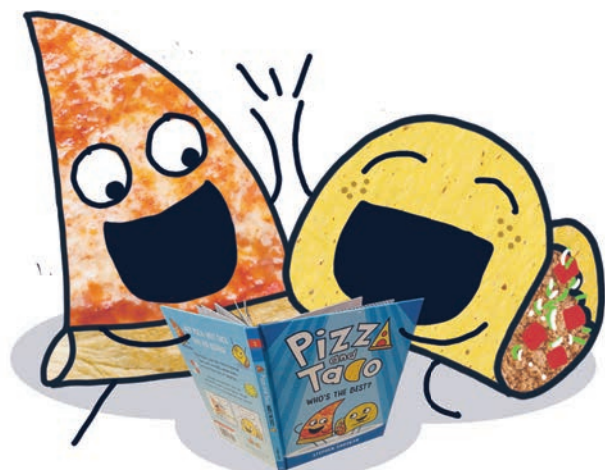

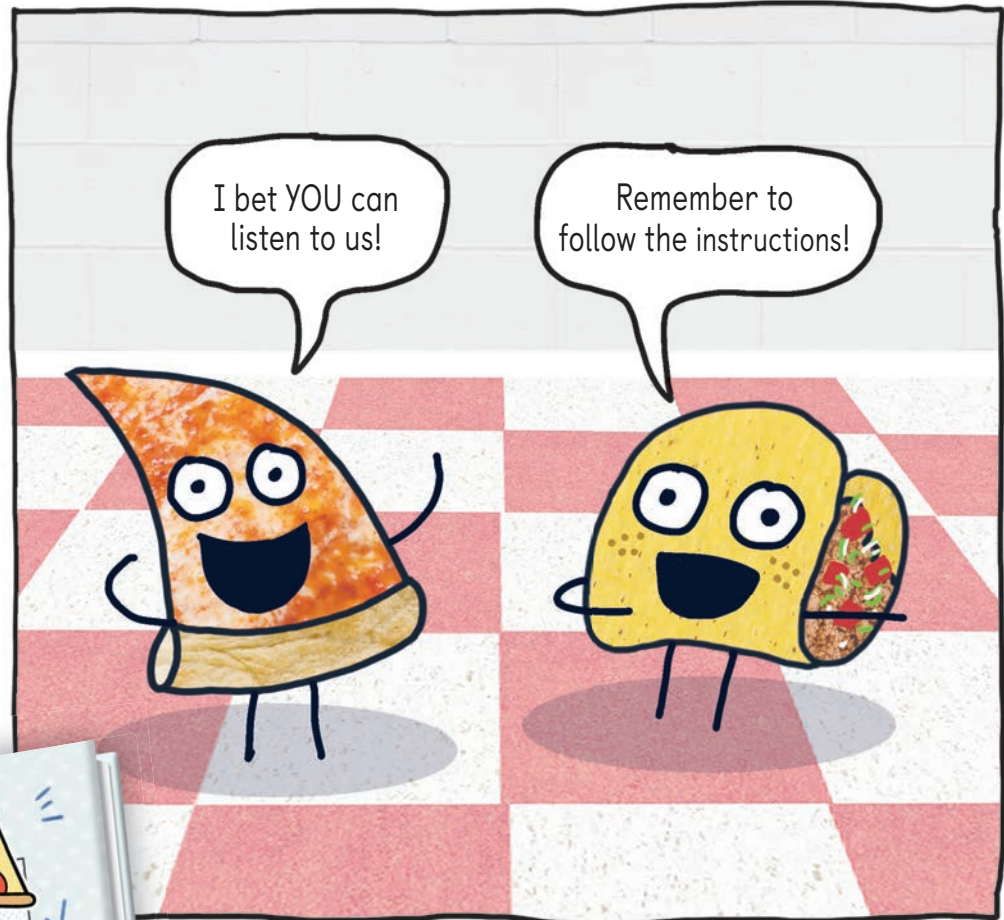

# Pizza and Taco Say!

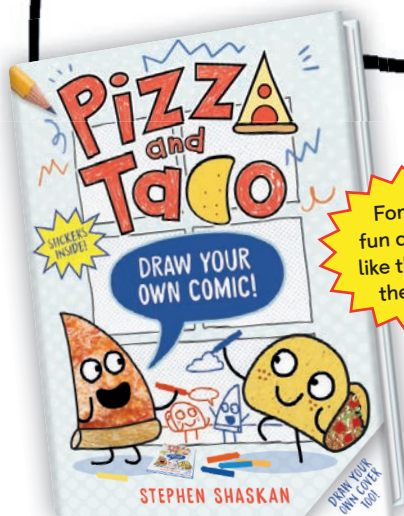

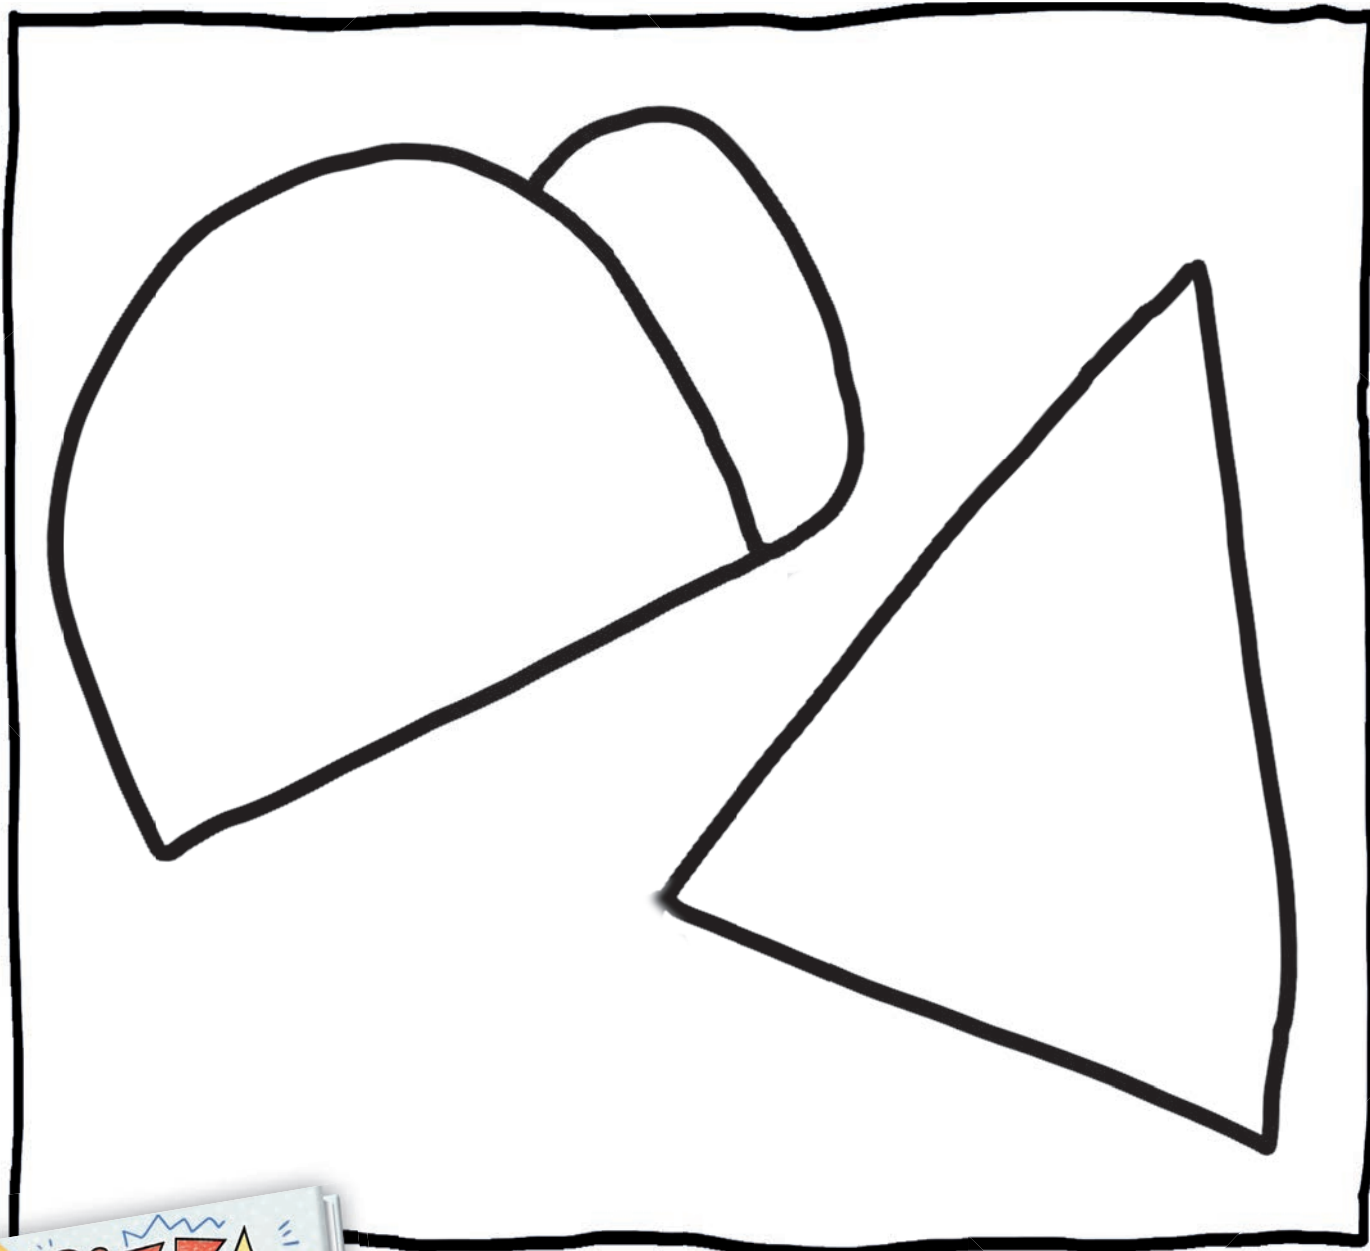

Time to put your listening skills to the test and pick one player to be Pizza and one to be Taco. Players must only follow the instructions that begin with "Pizza says" or "Taco says." If a player follows an instruction that doesn't start with "Pizza says" or "Taco says," or doesn't follow an instruction that does, they are out of the game.

Have Pizza and Taco provide instructions until two players are left. Those two get to be the next Pizza and Taco! Repeat as many times as you'd like!
