MAKE SIGNS FOR THE PRIDE MARCH

Pride Month is full of love, excitement, and joy, but it's important to remember that the first march was actually a riot. People fought for their rights so that members of the LGBTQIA+ community today could live freely, but the fight isn't over. Below you'll find instructions for creating your own Pride March sign. **Try to write big and bold so everyone can see!**

What You'll Need:
- Cardboard, construction paper, or something to use as your sign
- Markers, crayons, and other writing utensils
- OPTIONAL: If you'd like to put your poster on a stick to be able to hold it up higher, make sure to have glue on hand.

Here are a few suggestions of what you could put on your sign!
