RANDOM HOUSE STUDIO

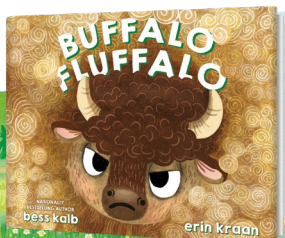

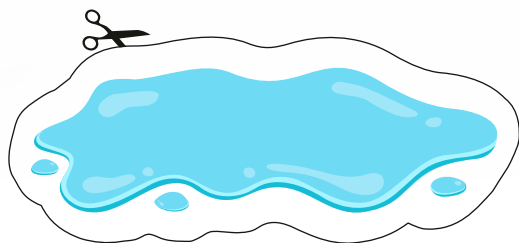

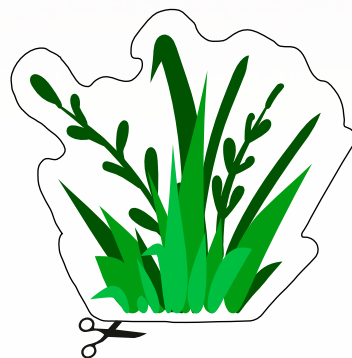

TAKE CARE OF PUFFALO

Being a big brother or sister is hard work!

Ask a grown-up to help you cut out the objects below to help take care of Puffalo.

Use the brush to brush his hair, put the puddle below him so he can take a bath, and feed him some grass so he can have a snack.

Then cut out Puffalo and put him somewhere soft so he can take a nap.

SIBLING KINDNESS CHART

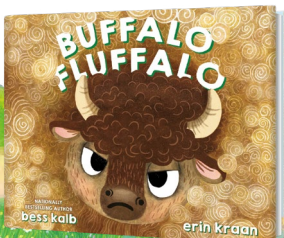

Color in or put a sticker in one of the hearts below each time you are kind to your sibling. Once you've filled in all the hearts, do something fun with your family to celebrate!
