## “Defying Gravity” Sing~Along

### Elphaba

Something has changed within me  
 Something is not the same  
 I’m through with playing by the  
 rules of someone else’s game  
 Too late for second-guessing  
 Too late to go back to sleep  
 It’s time to trust my instincts  
 Close my eyes and leap  
 It’s time to try defying gravity  
 I think I’ll try defying gravity  
 And you can’t pull me down

### Glinda

Can’t I make you understand  
 You’re having delusions of grandeur?

### Elphaba

I’m through accepting limits  
 ‘Cause someone says they’re so  
 Some things I cannot change  
 But ‘til I try, I’ll never know  
 Too long I’ve been afraid of  
 Losing love, I guess I’ve lost  
 Well, if that’s love, it comes at much  
 too high a cost

I’d sooner buy defying gravity  
 Kiss me goodbye, I’m defying gravity  
 And you can’t pull me down

### Unlimited

Together, we’re unlimited  
 Together, we’ll be the greatest team  
 there’s ever been, Glinda  
 Dreams the way we planned ‘em

### Glinda

If we work in tandem

### Together

There’s no fight we cannot win  
 Just you and I, defying gravity  
 With you and I, defying gravity

### Elphaba

They’ll never bring us down

### Glinda

I hope you’re happy  
 Now that you’re choosing this

### Elphaba

You too  
 I hope it brings you bliss

### Together

I really hope you get it  
 And you don’t live to regret it  
 I hope you’re happy in the end  
 I hope you’re happy, my friend

### Elphaba

So if you care to find me  
 Look to the western sky  
 As someone told me lately  
 “Everyone deserves the chance to fly”

And if I’m flying solo  
 At least I’m flying free  
 To those who’d ground me  
 Take a message back from me

Tell them how I am defying gravity  
 I’m flying high, defying gravity  
 And soon I’ll match them in renown

And nobody in all of Oz  
 No Wizard that there is or was  
 Is ever gonna bring me down
