Miranda's an average kid trying to make it through the school day—but is she also the **superhero** known as **the Mighty?**

Miranda likes her life exactly as it is. But lately everything seems to be changing. **Crime** is up in Willow City. **Bullying** is up at school. Even Miranda's family is acting weird. It feels like everything is **out of her control**.

There's a **legend** about a giant mythical creature who keeps Willow City safe in times of need. But that doesn't have anything to do with Miranda ... right? Does Miranda have what it takes to be the **hero** the world needs ... and the person she was born to be?
